### TBI NEEDS, SERVICES FOCUS OF NEBRASKA SURVEY

The Nebraska Traumatic Brain Injury Advisory Council is asking individuals, caregivers and service providers to participate in an online survey that could help improve services for individuals who have experienced a traumatic brain injury.

Information from the online survey will help determine the resources now available statewide with the goal of improving services for individuals.

If you are an individual who has experienced a brain injury, a caregiver or if your community-based company or organization provides services to individuals with a brain injury, you may access the online survey at:

- Survey for individuals who have experienced a brain injury and caregivers:

<http://www.surveymonkey.com/s/Q2NZLWC>

- Survey for service providers:

<http://www.surveymonkey.com/s/NXSQ7D2>

For a printed survey to complete and return, please contact Nancy Noha of the Assistive Technology Partnership at 402.471.3647 or 888.806.6287. The deadline for completing the survey is Dec. 31, 2010.

Responses will be confidential and only aggregate data will be reported. Schmeckle Research Inc. is conducting the survey for the Traumatic Brain Injury Advisory Council. If you have questions, please contact Joyce Schmeckle at 402.477.5407, email: [joyce@schmecklerresearch.com](mailto:joyce@schmecklerresearch.com), or Keri Bennett at 308.865.5012, email: [keri.bennett@nebraska.gov](mailto:keri.bennett@nebraska.gov).
